PRAYERWATCH

Papua, Indonesia - Violent Riots

What has led to the violent riots in Indonesia's Papua?

- Riots broke out on 19 August in the restive Papua region, where a separatist movement has simmered since the 1960s.

- While President Joko Widodo has sought to improve outcomes for the region, Indonesia's long-standing racism against Papuans risks undermining his infrastructure plans, says Human Rights Watch. (Source: scmp.com)

Pray:

- For cessation of violence, racism to be addressed, and reconciliation between Indonesians and Papuans.
- For the translation work and literacy programmes. (Forty percent of the population is illiterate, which hinders the working of God's word in their lives)
- May God establish a true peace and a new identity that rises above tribal and ethnic ties so that the people are brought together in a way that will only be accomplished through Christ as He provides creative solutions to meet the people's needs.

Malaysia - Indigenous

Pray:

- For our indigenous peoples - the Orang Asli in Semenanjung and the Orang Asal from Sabah and Sarawak.
- That many may be lifted up from poverty and their welfare will be taken care of indiscriminately.
- That God will reveal Himself to them and His light will penetrate their hearts so that they will know the true, living God.

Missions - Choo Yew On & Chern Chern, Cambodia

Pray:

- University of Health Sciences
 - For the renewal of MoU.
 - That the postgraduate Orthodontic students will be diligent in their research work.
- Intentional Discipleship-Making Conference in Singapore (5-7 Sep) - pray that they will learn much and apply what they learn in their lives and in the mission field.
- The Cleft Clinics in Siem Reap and Phnom Penh - pray that the Lord will increase the staff's competence.
