## PRAYERWATCH

### PRAYING FOR THE CORONAVIRUS PANDEMIC

Let us join with the worldwide Christian communities to pray for

### The Containment Of The Virus

Ask God to slow and halt the spread of the Covid 19 Coronavirus. Pray for God's particular intervention in the nations most affected.

### The Ill And Isolated

Pray for the people you know who are self-isolating or who have contracted the virus. Especially remember our 3 members who are confirmed cases. Ask God to make His presence felt in solitude and to protect, strengthen and heal them.

### Protection Of The Vulnerable

Pray for the people you know who are elderly or have an under-lying condition that may make them susceptible to the Coronavirus. Ask God to protect them from infection.

### Local And National Leaders

Ask God to

- give wisdom to national and local political leaders as they make decisions to protect people.
- bring excellent advisers to guide them.
- give them the ability to communicate clearly to the public.

### Health Professionals

Ask God to

- protect the health professionals (doctors, nurses, ambulance crews and more) caring for those affected by the virus.
- give them peace, wisdom, to anoint them for their jobs and to protect them from infection.

### Those Affected In Other Ways By The Pandemic

Many are directly and indirectly affected by the coronavirus pandemic.

Ask God to

- comfort those grieving the loss of loved ones.
- provide for those in financial difficulty because they are unable to work.
- help business leaders as they face such unprecedented disruption to life.
