PRAYERWATCH

50th Anniversary of the Association of South East Asian Nations (ASEAN) – Vietnam

Total population: 94.9 million
Major religion: Buddhism
Government: Communist

*We ask for God's Holy Spirit to come in full power, bringing conviction of sin, renewal, restoration and healing to **Vietnam** in this year of preparation of the region for a mighty sowing.*

Pray for the **Church in Vietnam**:

- God will raise up righteous leaders in the church, who have the courage to live out their faith, and He will protect them and their families.
- He will raise up teachers and pastors to build up the church in holiness, and they will disciple members against the temptations and distractions arising from improved prosperity in this country.
- Churches, NGOs and mission groups will not compete, but work together to care for the poor, and to bring the gospel to all tribes.

International – Japan

Population: 126 million. Religions: Buddhism 70% with a strong overlapping with Shintoism; 24% "other" (hundreds of newer religions); Christianity 1.5%.
Pray:

- There will be a breaking down of the strongholds that keep Christ from being made known in Japan.
- Christian young people who come to Japan to work or study the language and culture will take this opportunity to give witness of Christ.
- There will be a move of faith and of the Spirit among the younger generation of church leadership as they seek new models of witness and congregational life.

Malaysia – Selangor

Pray for the people, churches and believers in **Sabak Bernam & Kuala Selangor**:

- God will bring pre-believers who are seeking to believers, and the believers will be equipped to share the Good News with them.
- God will send visions and dreams to the people.
- For greater unity and love among the churches.
- For the Sultan and the Menteri Besar of Selangor.
