PRAYERWATCH

50th Anniversary of the Association of South East Asian Nations (ASEAN) – Myanmar

*We ask for God's Holy Spirit to come in
full power, bringing conviction of sin,
renewal, restoration and healing to
Myanmar in this year of preparation of
the region for a mighty sowing.*

Government and Politics - Pray:

- **Religious nationalism.**
An organisation of radical Buddhist monks – Ma Ba Tha – has increased its campaigns against religious minorities and helped to introduce four laws for the "Protection of Race and Religion" in August 2015. These laws build insurmountable hurdles for conversions and mixed-religion marriages.
Pray for the spiritually blind to be able to see.
- **Righteous leaders.** Pray:
 - That God will raise up righteous leaders in government, the judiciary and the military with the political will to bring justice for all Burmese and prevent potential genocide.
 - That God will inspire and embolden Christians in the small ethnic minorities to make their voices heard in the government.

Malaysia:

A) Melaka

Pray for the people, churches and believers in Melaka Tengah:

- For all believers here, that their lives & witness will leave a lasting impression on those around them.
- For God to free people from folk beliefs.
- That the young will have an opportunity to encounter God and hear the gospel.
- The work of believers will bear fruit in the people coming to know the Lord.

B) Kelantan

Pray:

- For the State government to implement effective measures to improve the lot of the poor. 2014 statistics show that Kelantan is the poorest state in Malaysia with an average household income about 40% lower than the national average.
- The Muslims in Kelantan have the highest divorce rate in Malaysia. Pray for the strengthening of the institution of marriage. Pray for the emotional well-being of children affected by the breakdown of marriages, that they will be restored by the power of God.
- Pray for the authorities to wipe out the smuggling and distribution of drugs in areas such as Kota Bharu, Pasir Mas and Tumpat. Pray against drug addiction among the locals, for the addicts to encounter the supernatural healing of God and be set free from their bondage.
