PRAYERWATCH

International – South Sudan

Pray:

- For more mission groups to come to South Sudan, and for those already serving to be protected from the effects of civil war and to receive sufficient resources to fulfil their calling.
- That giving countries will invest carefully but generously into infrastructure to facilitate the development of services for the people in this country.
- For believers to grow beyond treating Christianity as a nominal faith and allow Christ to transform their lives. Pray for the pastors and teachers to bear effective witness through their own daily living.

Malaysia GE14: Praying Church

"For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places."
(Ephesians 6:12, ESV)

Pray:

- Christians throughout the nation will humble themselves and pray fervently without ceasing for God to protect Malaysia and its leaders from evil forces that threaten to take control of government and ruin the nation.
- Christians will recognise the partisan politics and the campaigning as spiritual warfare, and equip themselves to be strong prophetic voices for righteousness and justice in the nation.
- God's people will recognise His sovereignty over the nations, and so will be filled with peace and faith that God is in control over the affairs of our country as we pray for breakthrough.
