PRAYERWATCH

Malaysia: Justice for the Poor & Suffering

"This poor man cried out, and the Lord heard and delivered him from all of his distress." (Psalm 34:6, International Standard Version)

"Loving God, You hear the cry of each of Your children, and especially those who are poor and suffering.

We pray that we, too, might hear the cries of people in need:

The family crying out for food

The migrant child crying out for his mother

The youth crying out for education

The farmer crying out for rains for his harvest ...

The trafficked and abused, crying out for freedom ...

All of who are poor and vulnerable, crying out for help ...

Lord, open our hearts that we may hear the cries of the poor as You do and respond as Your hands and feet on earth.

In Your Name we pray, Amen."

International: Venezuela

Despite having some of the world's largest oil reserves, many people suffer in poverty. Over half of the urban population - over a million people - live in slums often controlled by gangs or drug barons. As a result of falling oil prices and restrictive policies, Venezuela has faced severe economic crises, leading to widespread critical shortages of food and medicine. Political corruption, divisions, revolutions, and coup attempts have plagued this troubled nation. Pray for:

- Christ to reveal himself to those blinded by spiritism and other false religions.
- All 30 Amerindian tribes to be transformed by the Word of God despite government opposition.
- Solutions to economic instability and high crime rates.
- God to use the Venezuelan Church to bring the peace of Jesus Christ to a nation in much turmoil.
