PRAYERWATCH

International: Syria

Prayer of a Syrian Christian:

*Thank You, Lord,
For all that You have done and are
still doing.
I trust Your will is always good and
finally You will turn evil to good.
I know You are not silent, but
patient...
But how long will it take, Lord?
I am looking forward to a new
beginning amongst my people.
My own desire is that evil will stop
and that we see Your glory shine
again in the darkness.
I'm longing for healing, for
restoration.
I cry out to You, Lord.
I'm longing for a new generation to
take their place in Your Kingdom,
To be the light and salt of this
nation.
Help me to see my role in this
transformation.
Protect me and be with me.
Carry me, day by day.
Amen.*

Malaysia: The Judiciary

*Judicial authority in Malaysia is
vested in the Federal Courts, High
Courts and Subordinate Courts. The
courts play an important role in*

*hearing and determining civil and
criminal matters as well as
pronouncing the legality of
executive acts.*

Pray for:

- The judiciary to uphold the Federal Constitution.
- Independence, impartiality and integrity of our Malaysian judiciary to apply and enforce the laws of the country on all citizens without bias.
- Independent and courageous judgments based on facts, the law and the constitution without considering whether the decision is popular or not, or whether the opposition or the government support their decisions.
- Judges:
 - ◊ To deliver fair judgments in accordance to the law and evidence presented to them, which are fair and unaffected by politics or corruption.
 - ◊ They will administer justice without partiality.
 - ◊ For consistent judgements which reflect the integrity of the judicial system.
