PRAYERWATCH

International: Libya

The head of Libya's UN-recognised government has proposed holding nationwide elections to end the war in the North African country, as forces of the rival military commander Khalifa Haftar continue their two-month-long battle to take the capital, Tripoli. Speaking at a news conference on 16 June, Prime Minister Fayed al-Sarraj said he was proposing a "Libyan congress" aimed at finding a peaceful solution to the conflict. Sarraj's Government of National Accord (GNA) holds the west, while Haftar's self-styled Libyan National Army (LNA) holds the east and much of the south of the country. (Source: Aljazeera)

Pray for:

- An end to tyranny and dictatorship, and restoration of peace and stability.
- A unified government that will rebuild the nation with justice.
- The tiny Libyan Church to be united and established despite intense persecution.
- Jesus to reveal Himself to the people of Libya.

Malaysia: Government

Pray for:

- Stabilisation of the Federal and State governments and all political parties.
- God to curtail unhealthy 'politicking' in our government both Federal and

State, and for them to focus on rebuilding the nation.

- Ask God for mercy and forgiveness for the past mistakes of previous and present governments; wisdom and guidance for the future for our present government.

DUMC: PJN4 Leaders' Refresh Encounter (29-30 June)

Pray:

- That the leaders will have a great time reflecting on the past, being refreshed in His presence and refocussing on His call.
- Good time of bonding and connecting on a personal and spiritual level with one another.
- Facilitators and organisers will serve wholeheartedly with the joy of the Lord.
- All personal matters will be taken care of as they participate in the Leaders' Refresh Encounter.

Missions: Choo Yew On & Chern Chern, Cambodia

Pray:

- For their team-mates who are ill, two of whom have been hospitalised for dengue and lupus.
- Comfort also for their team as they grieve over the sudden passing of their 37-year old team-mate last month.
