PRAYERWATCH

Republic of Angola, Africa

War (1962-2002) has devastated Angola. The damage from the war – economic, psychological, social and spiritual – will require years to overcome.

Pray for:

- Mine clearing, which is necessary to make the land safe. The six million landmines are being cleared – but over 80,000 people have already been crippled by them. Many agencies are involved, including Christian NGOs.
- Healing of the invisible wounds. The reconciliation process is painstaking. The sheer numbers of people needing counselling and training make this a long-term need.

Luanda, the capital, and other major cities attracted the displaced but had no capacity to shelter them properly, so squalid squatter camps rapidly sprung up. A large proportion of the rural population fled to urban areas due to food shortages and lack of security. The government is accused of failing to care for these unwilling refugees. There are large numbers of orphaned and abandoned children; many are falsely accused of witchcraft by relatives as a pretext for getting rid of them. Others are forced or sold into prostitution to feed themselves.

- Pray for those working with the urban poor and the children at risk.

Remembering the poor

James 2:15-16: "Suppose a brother or a sister is without clothes and daily food. If one of you says to them, 'Go in peace; keep warm and well fed,' but does nothing about their physical needs, what good is it?" In the Gospels, Jesus makes it clear that discipleship demands action, particularly service (Matthew 20:26-28).

- Pray that the Lord will help each one of us to cultivate compassionate hearts and attitudes toward children and families in need. Ask for an increase in our desire and ability to reach out and assist the hungry and the poor, so that their needs may be met, their faith may be strengthened, and their hearts may be filled with gratitude and love.
- Pray for our Street Ministry as they reach out to the poor and homeless in the Petaling Street area. Ask the Lord for opportunities to share the love of Christ with these needy ones.
- Pray for our FoodBank work, to provide assistance of essential foodstuff to the most needy in our community. Pray that these aid packages may spark hope for destitute homes.
