

### **DUMC & COVID-19 (19 March 2020)**

Damansara Utama Methodist Church (DUMC) confirms that one of our members has been diagnosed with COVID-19 and is currently receiving medical care at a government hospital.

We are working closely with the authorities on contact tracing and arranging for all who have come into close contact with the member in recent days, to undergo a COVID-19 test. Some of the members contacted have already quarantined themselves, arranged for testing and monitoring their health closely.

Given the possibility of contamination and all activity in Dream Centre halted due to the Movement Control Order, we will take the precaution of disinfecting and sanitising the entire premises thoroughly. Consequently, Dream Centre will be effectively out-of-bounds at least until 31 March 2020.

Please remember our affected member and his family members in your prayers. Pray for his recovery, and that his family members to be strong at heart and in faith. Even as we uphold them in prayer as brothers and sisters in Christ, we would like to remind all to stay calm and remain vigilant amidst the spread of COVID-19.

We urge all DUMC members and everyone at large to adhere to the Movement Control Order, stay at home, and be prayerful at all times. Please exercise the precautionary measures as advised by the World Health Organisation and Ministry of Health Malaysia should you need to go out to buy groceries and food. Please seek immediate medical attention if you are experiencing symptoms such as fever, cough or shortness of breath.

The grace of the Lord Jesus Christ be with your spirit.

*Pastor Chris Kam*

Senior Pastor, Damansara Utama Methodist Church
